

## Student Worker

***Join an international drug development consultancy and contribute with strategic advice and operational support to clients based in Europe, the US and Asia.***

*At KLIFO, you'll be part of a highly specialised team of experts who value workplace flexibility and collaborate to help our life-science clients across different therapeutic areas realise their unique projects.*

### **Become part of an experienced and dedicated team**

KLIFO Clinical Trial Supply Solutions optimises clinical trial supply by offering proactive management throughout the supply and logistics process.

In clinical supply management (CSM), we are a team of 23 highly skilled project managers and coordinators working to coordinate clinical trial supplies for our clients. Through our international reach, highly flexible solutions and compliance with EMA, FDA and national requirements, we aim to accelerate project set-up, reduce turnaround times and reduce supply chain issues.

Our customers come from the pharma, biotech and medtec industries.

### **In the role as Student Worker, you'll contribute by:**

- Preparing label texts
- Preparing accountability of investigational medicinal products (IMP)
- Coordinating return and destruction of investigational medicinal products (IMP)
- Filing GxP documents
- Ordering and receipt of labels and packaging materials
- Preparing KPIs on behalf of the department

### **Your background and qualifications**

You are committed to creating and delivering solutions that meet individual client needs. You have a positive, flexible and proactive approach to solving tasks and you thrive in a supportive role.

You enjoy a flexible and changing environment and you possess a collaborative mindset.

### **Location**

Glostrup, Denmark

### **Employment**

Student Worker, 15-20 hours per week
