

## **KLIFO is looking for a Clinical Supply Coordinator for our Glostrup office**

### **The position as Clinical Supply Coordinator:**

As a Clinical Supply Coordinator in the packaging area you will be the link between Supply Management and the packaging area and also take part in the daily packaging operations. The main job functions are:

- Coordinate and collaborate with Clinical Supply Management and QA
- Updating the packaging schedule
- Proactively secure the packaging flow
- Give input to packaging designs
- Participate in packaging operations
- Review of batch documentations

### **The qualifications of the Clinical Supply Coordinator:**

The ideal candidate is a person committed to work according to individual customer needs. The person must have a positive, proactive and flexible personality. Preferred skills are:

- Pharmacist, operator or experience from similar job function eg. Clinical Trial Packaging
- Knowledge of GMP related to Clinical Trial packaging
- Preferred knowledge of printing labels
- Ability to work in a flexible and changing team environment
- A high-quality mindset
- Ability to prioritise different tasks to meet strict timelines
- Language: Danish speaking and read and understand English

### **We offer:**

- An inspiring working environment in a rapid developing company
- Supportive colleagues
- High job variation
- Salary according to qualifications

### **Location:**

KLIFO has offices in both Denmark, Germany and Sweden. This position is located at our office in Glostrup, Denmark.

### **Contact:**
