

KLIFO is looking for a Business/Project Controller

KLIFO has grown significantly over the last years both in Denmark and through subsidiaries in Germany, Netherlands and Sweden. To support the growth KLIFO is now looking for a Business/Project controller, who can be a pro-active support for the management of 3 service areas.

All service areas are well-established in Denmark and in the process of expanding the business in the other countries. You will work closely together with management and project managers in all countries.

The position includes many aspects and you thrive just as well with daily hands-on work as analysis on future business. You will spare on financial topics with management, prepare monthly reporting and take care of the monthly invoicing in collaboration with project managers.

You report to KLIFO's CFO and you will work closely with management of the service areas. Further, you will have collaboration with the controllers working for the other service areas and with accounting. Together with your finance colleagues you prepare the reporting and develop finance related processes and tools.

Your primary tasks will be:

- Daily financial sparring with service area management and project managers
- In collaboration with management prepare budgets and estimates
- Monthly reporting including analysis and comments
- Monthly invoicing
- Prepare analysis to support the yearly business plan
- Financial sanity check of client contracts

Qualifications:

- You have experience as controller in a project-based organisation
- A relevant education such as cand.merc. or HD
- You thrive in a growing organisation
- You are able to handle many informations, create relevant overviews and communicate clearly
- You can work independently, but are also a dedicated team player who values collaboration
- You are an experienced user of Excel and preferable you have experience using Dynamics Nav
- You are fluent in Danish and English
