

KLIFO is looking for a Director, Business Support for our Glostrup office

We are rapidly expanding our office in Denmark and we are therefore eager to fulfill a newly opened position as Director for Business Support in one of our business areas.

The new position as Director for Business Support:

Clinical Trial Supply (CTS) is a fast growing area with a great variety of ambitious projects and exciting clients. As Director you will drive the successful development of our new department Business Support.

Your main tasks will be:

- Ensure compliance in our department, bridging to our QA and our clients.
- Responsible for our supportive teams in CTS (Compliance, Facility Management, Qualification and process optimization)
- Responsible for new activities, expansions and systems
- Process Optimisation
- Heading and developing the Business Support Team (Currently 8 employees)
- Financial responsible for the department and for investments

The qualifications of the Director:

- Positive and proactive approach
- Ability to work independently and hands on with multiple tasks under ambitious timelines
- Experienced in GMP/GDP
- Experienced in Qualification/validation
- Communication skills in Danish and English

- Management Experience
- Project Management Experience

We offer:

An exciting new position, with an opportunity to build up a strong support organization in CTS.

The right candidate will have the opportunity to influence the future development of KLIFO GMP facility. Furthermore you will be part of the CTS Management team and the Extended Management team at KLIFO.

Location:

KLIFO has offices in both Denmark, Germany, Sweden and The Netherlands. This position is located at our office in Glostrup, Denmark.

Contact:

For more information, please contact Vice President Christina Vinum at +45 44 222 960.

Applications should be sent to:

job@klifo.com marked CTS Director, Business Support. KLIFO processes your application and all related personal data exclusively for the specific hiring process. Your data is processed as confidential information, cf. the current data protection law (GDPR).

Deadline: 15.02.2022
