

KLIFO is looking for a Business Controller for our Glostrup office

Are you a talented Business Controller looking for great colleagues?

KLIFO has grown significantly over the last years both in Denmark and through subsidiaries in Germany, Netherlands and Sweden. To support the growth, KLIFO is now looking for a dedicated Business Controller, who can be a pro-active support for the management primarily of the service area **Clinical Operation Solutions**.

The service area is well-established in all countries and you will work closely together with management and project managers across the organisation..

The position as Business Controller:

The position includes many aspects and you thrive just as well with daily hands-on work as with analysis on future business. You will be sparring on financial topics with management, work with project controlling, prepare monthly reporting, forecasts, budgets and take care of the monthly invoicing in collaboration with project managers.

You will report directly to KLIFO's CFO and you will work closely with management of the service areas. Further, you will have collaboration with the controllers working for the other service areas and with accounting. Together with a team of highly skilled finance colleagues you will also be involved in development of BI and Navision upgrade.

Your primary tasks will be:

- Acting as a strong business partner to the service area management and project managers
- Controlling and continuously having a financial overview of projects and contracts
- Prepare estimates in collaboration with management
- Prepare Monthly reporting including analysis, comments and closing process/invoicing
- Prepare estimates and budgets
- Enable decision-making through Analysis, BI, presentations and xls models.

Qualifications:

- You have experience as Business controller preferably in a project-based organization
- A relevant education such as cand. merc or HD
- You thrive in a growing organization
- You are able to handle complex information, maintaining a financial overview and you communicate clearly
- You are used to work independently, and are a dedicated team player who values collaboration
- You are an experienced strong user of Excel and BI and preferable you have experience with Dynamics Nav
- You are fluent in Danish and in English

We offer:

KLIFO offers you an exciting position in a growing company where you will have the opportunity to influence decisions and develop your competences in collaboration with dedicated colleagues.

This is your opportunity to work in an interactive, flexible and positive working environment with a high level of trust, transparency and cooperation across the company.

Location:

KLIFO has offices in both Denmark, Germany, Sweden and The Netherlands. This position is located at our office in Glostrup, Denmark.

Contact:

For more information, please contact CFO Jesper Lykkeberg, 44 123 263.

Applications should be sent to:

job@klifo.com marked; "Business Controller". KLIFO processes your application and all related personal data exclusively for the specific hiring process. Your data is processed as confidential information, cf. the current data protection law (GDPR).

Deadline: 27. May 2022.

We review applications and invite for interviews on an ongoing basis.
