

KLIFO is looking for a Clinical Supply Manager for our Glostrup office

Would you like to use your solid experience within the pharmaceutical industry to join our highly skilled Clinical supply department as **Clinical Supply Manager**?

We are growing and we need more dedicated colleagues to help us maintain and further develop our high quality level to meet our clients and own requirements.

The position:

As Clinical Supply Manager you will be working with a diversity of tasks from planning and coordinating clinical trials in close dialogue and cooperation with our clients. Preparation and approval of labels texts according to Annex 13, packaging materials, designs and blinding setups, coordinating return & destruction of IMP and cooperate with our distribution team in preparing distribution set ups.

You will also coordinate and collaborate with other CMO/CRO's and ensuring a very highly quality level.

Qualifications:

An ideal candidate is a person committed to creating and delivering solutions that meet individual customer needs.

Also, the person must have an independent, positive, proactive and flexible personality.

Our candidate is experienced with GMP and experienced within the pharmaceutical industry.

We offer:

As our new Clinical Supply Manager you will be part of an inspiring working environment in a growing company. You will work with exciting customers among competent colleagues where your knowledge, experience and contribution is valuable and highly appreciated.

- High job variation
- High level of influence
- Great social working environment and committed colleagues
- A highly flexible, free and trustful culture

Location:

KLIFO has offices in both Denmark, Germany, Sweden and The Netherlands. This position is located at our office in Glostrup, Denmark.

Contact:

For more information, please contact Lotte Harreby, Director at +45 44 222 969 or Pernille Smith, Team Manager at +45 44 222 986

Applications should be sent to:
